LAWLESS is book THREE in the King Series and meant to be read after KING & jtfigurefoto.coms:

Dec 06, Lawless is the third book in the King series. Its Bears story and Ive been looking forward to it ever since I met him in King. I loved King and Doe in the first book of this series, but I was honestly most intrigued by the side characters, Preppy and Bear/5(K). Jan 10, Lawless was the third book in the King series by TM Frazier. It was the first of two books about Bear. It was dark, well written, well developed, entertaining and suspenseful. Dec 06, Bear is leather and lawless. It will never work between them. It's a lie they almost believe It is necessary to first read King and Tyrant to fully enjoy Lawless. This book wouldnt exist without you and Im not sure I would either. Love you hard. To Monica, Rochelle, Jenny, Joanne, Bri, and all my other beta readers who read parts of Lawless completely out of order and suffered through my craziness as I .
