Lord of the Mountains is a fabulous read and a worthy member of the Viking Lords series. Please note I received an advanced copy of Lord of the Mountains from Netgalley in exchange for an honest jtfigurefoto.coms: 4. Lord of the Mountains is the second book in the Viking Lords series by Sabrina Jarema. It can be read as a stand alone, but I believe you will enjoy it more if you have read the first in the series. Silvi Ivarsdottir is spoken to by the gods/5. If you enjoy Viking romance that rings historically true, you will love the Viking Lords series. Sabrina Jarema has definitely done her research! Jaremas writing is beautiful, and her scenes are so descriptive, the settings just come alive. Lord of the Mountains is the second book in the Viking Lords series but can be read as a standalones. Recently, she has branched out into historical romances set in the early Viking era. She is currently writing the Viking Lords series, a family saga set in Norway during the ninth century. She is an active member of the Tampa Area Romance Authors chapter of the Romance Writers of America.
